### November is Family Engagement Month!

The Family Engagement Month calendar is a list of daily activities that you can do with your child anytime. The activities are meant to be fun and to make the most of those teachable moments. Not every activity will be appropriate for every child. Children have different abilities as well as different interests. You can modify many of the activities to meet the needs of your child.

#### Daylight Saving Time Ends!

Like a turkey gobbling, we turn the clocks back and have a snack in the fort with favorite stuffed-animals.

#### Teacher Child How to Gobble

Make a “calm down” blanket fort together and have a snack in the fort with favorite stuffed-animals.

#### Teach your child how to gobble like a turkey and have a gobbling contest!
