

The Exceptional Children's Assistance Center (ECAC) is now also North Carolina's Family-to-Family (F2F) Health Information Center! In addition to helping families navigate the special education system, we also specialize in helping families navigate health related systems in NC. Some commonly asked questions are:

1. Does my child qualify for Medicaid?
2. How do I apply for the Innovations Waiver?
3. My child was recently diagnosed with a disability or health condition. Can you help us figure out where to start?
4. We just moved to North Carolina. Can you help us figure out how to navigate the systems for kids with special needs in North Carolina?
5. My family doesn't seem to qualify for anything. Are there resources for us?

We support providers too! Have a question? Call us at **1-800-962-6817**. You can also email **Christy Moore**, Family-to-Family Health Information Center Program Lead at **cmoore@ecacmail.org**.
