Signpost Ministries

Signposts Ministries is a 501(c)3 nonprofit that serves families that have children with special healthcare needs. We work in the greater Charlotte area and internationally. Signposts Ministries (Spm) helps families by connecting them with equipment, resources, and their community. Some of the local programs and services offered by the Signposts Family Resource Center:

- Equipment and Supply Loan: We will help fill in the gaps when families have medical equipment or supply needs that aren't being met by insurance.
- Pediatric Care Navigation: Signposts Ministries offers Pediatric Care Navigation services. WE work under the umbrella of Amazing Grace Advocacy. All appointments must be made through Amazing Grace.
- Signposts Family Resource Center: The Signposts Family Resource Center is located at 115 Henderson Street in Monroe, NC. While to SFRC houses our office space and is used for our own programs and events, it is also a shared space used by other nonprofits and support groups that have similar goals of supporting families.
